SPECIAL
EDITION

WHAT'S
NEW?

Class experiences

In Sun class (Miss Jacob's class) they were learning about newspaper reports and how they are structured (just like this one!). In Earth class, the children were learning about World War 2. They went on a trip to Duxford to discover more about the topic and are reading the book 'Letters from the Lighthouse'.

Each half term, every class has a learning outcome linked to their class experience. The Flich Green Academy believe that real life learning experiences provide opportunities for children to consolidate their learning. Last half term in Neptune class, their experience was the local area (Flich Green) which is where we live! Their experience outcome was to create a flip book based on 'Where Do I live?'.

In Reception last half term their experience was Wonder through the wood. They learnt about hot and cold habitats and were creating their own Bog Babies to place in a very special habitat. They also had to learn how to be a good friend to their bog babies - a very important lesson in Reception!

In Moon class last half term, they were also learning about the local area. They were finding out about how to improve Felsted, they did this by going on a walk to find out about which services were already there. They then designed a pavilion which they thought would be the best to improve Felsted. The staff then voted on the best design!

Upcoming Events

- World Book Day - 7th March
- FFG Quiz night - 23rd March
- Parent Consultation Evening - 26th and 27th March

SPOTLIGHT MR BURDEN!

We interviewed Mr Burden to find out more information about Fritch Green's headteacher. Firstly, we asked him what his favourite day of the week was. He replied that Wednesday and Fridays were his favourite. The next question we posed was: What is your favourite sport? Rugby was his answer, he was enjoying watching the 6 Nations tournament! Throughout the interview, we found out that his favourite year group to teach was Year 5 or Year 6. Finally, we asked the toughest question of all: Why did he choose to become a headteacher and he replied 'I was a teacher before and then I became one!'

- Year 4 Residential - 8th May
- Year 6 Residential - 20th May

WORLD BOOK DAY

World Book Day is celebrated on 7th March this year. It is celebrated to promote the love of reading. The first World Book Day was celebrated in 1997 due to encouraging young children to discover the pleasure of reading. The nation celebrate World Book Day by children going into school as book character. You will also receive a £1 book token. You can spend your £1 book token in ANY shop in the UK and Ireland. At the Fritch Green Academy this year we are bringing back our story writing competition. All the children have a chance to write their own story and have time to experience the beautiful life of a story writer. If your child wins they will earn a £10 book token at our book fair on the 21st - 26th of March 2024.

COMIC RELIEF

What is comic relief?

Comic relief is an international special day to help raise money for charities across the world who need more educational resources or homes and food/drink. For 2024 comic relief proudly presents the funniest red noses yet perfect if you've got lots of noses waiting to do something funny for money! Comic relief is held on Friday the 15th of March 2024

YOUR DONATION MEANS EVERYTHING!

Your donations make a very real difference to people not only in the UK but across the world, whether you donate through Red Nose Day, Sports Relief Day or Comic Relief Day at another time of the year.

What do other people do for comic relief ?

Comic relief is all about doing something funny like schools might have a non uniform day or bake a wonky cake or run a mile dressed as a lobster. They would be thankful for a little donation of money for children and adults over the world. They would be so so so HAPPY if you want to make a change. Please donate now at comicroelief.com or take part in a fundraising event.

Who created Red Nose Day?

It was founded in 1985 by comedian Lenny Henry and Richard Curtis, the writer-director best known for Four Weddings and a Funeral and Love Actually.

The UK's first Red Nose Day was in 1988, and the telethon has raised over £1 billion

DUXFORD

Year 6 attended a trip to Duxford (WW2 history museum) as part of their class experience last half term. The Duxford trip was an amazing opportunity to learn and explore more about the history of World War 2. Earth class will be presenting this information in their class assembly this Thursday (7th March). During the trip, Earth had a long tour and saw all the clothes, weapons and destroyed buildings. They also saw some real World War 2 aeroplanes, uniforms worn in the past, vehicles driven during the war and rooms that the air wardens used during this time.
