

The Flitch Green Academy Primary School Sports Premium Development Report 2020/21

Primary School Sports Premium Awarded: £18,280

Total Number of Pupils on Roll (eligible for premium): 228

Amount received: £18,280

Amount to be spent: £18,280

Summary of objectives for 2020/21:

- To continue to deliver high quality PE teaching across EYFS, KS1 and KS2
- To broaden sporting opportunities and experiences to pupils, especially those currently deemed as 'not active'
- To further increase participation in sporting events and competitions at all levels (Covid restrictions pending)
- To provide high quality professional development for staff to continue to improve the quality of teaching and learning in PE lessons (in-house led by a PE professional)

Detailed summary of allocated grant:

Item/Project:	Allocated Cost:	Actual Cost:	Objectives:	Intended Impact	Actual Impact (July 2021)
Membership of USSP Family and the Sportsplan web platform	£900 - USSP £375 - Sportsplan	£900 - USSP £150 - contribution to medals/equipment	Provide high quality training for teaching staff through the sports partnership to deepen subject knowledge and confidence in teaching a range of games skills.	Teachers to attend training sessions, based on their own developmental needs. Learning to be implemented in PE lessons and disseminated to other staff during staff meetings focussing on the sharing of good practice. Quality of teaching, and therefore outcomes for pupils, will improve as staff implement new learning in lessons.	Teachers are confident to teach PE lessons and understand the importance of sequence of skills and building on these. For Sports week it was evident that new sports were trialled and children were engaged with these. Teachers are able to teach PE using the resources available to them as support. PE is of a high quality and outcomes show children most children make good progress.
Transport to events	£300 - estimate £20 renewal for Uttlesford Community Transport subscription	£20	Provide greater opportunity for participation at inter school sporting events for children. Provide a broader range of sports/activities for children - archery, curling, boccia Covid dependent	Continue to increase the number of children able to participate in inter school competition. By the end of the year, all pupils in KS1 and KS2 will have taken part in at least one USSP event. Covid dependent	N/A

Specialist teacher to support teachers in delivering high quality PE	15,485	£17,025	Assist in providing high quality PE provision to children across the school.	PE lessons will be of a high standard. Pupils will have access to specialist provision to ensure skills are well taught and build on what they can already do. PE curriculum leader will monitor provision though the year.	PE leader and Curriculum leader have monitored PE lessons and observed that they are sequenced in a way that builds on skills and ensures that all children are making progress from starting points. Children feel more confident in PE lessons. Teachers have been able to access high quality subject knowledge which has ensured their teaching and learning is of a high standard.
Purchase of PE equipment	£1,200	£1,200	To provide high quality resources to support teaching and learning.	Spending will reflect the need to update equipment throughout the year.	Resources have been purchased to support new sports as well as replenishing resources to ensure high quality PE and extra curricular clubs can take place. Extra curricular clubs have meant that children have access to a variety of sports and we hope to develop this further in 21/22
Total:	£18,280	£19,295			
Swimming 2020/21:					
Due to the continuing Covid-19 restrictions we have been unable to provide swimming lessons for our pupils this year. The percentages below are based on guidance from our parents:					
- 68% of year 6 pupils can swim competently, confidently and proficiently over a distance of at least 25 metres					
- 84% of year 6 pupils can use a range of strokes effectively					
- 47% of year 6 pupils can perform safe self-rescue in different water-based situations					
Summary of objectives for 2021/22 to ensure sustainability of previous years objectives:					
- To provide high quality professional development for staff to continue to improve the quality of teaching and learning in PE lessons (in-house led by a PE professional)					
- To provide high quality professional development for midday staff to encourage active play at lunchtimes (in-house led by a PE professional)					
- To broaden sporting opportunities and experiences to pupils, especially those currently deemed as 'not active'					
- To increase participation in sports clubs after school and during holiday periods (Covid restrictions pending)					
- To raise attainment in swimming to meet the requirements of the National Curriculum
